02 / ONE SOURCE OF TRUTH

Nothing changes between formats.

01 / The same project and version

Personal travel planner · version 1. Each format carries the same must-haves and decision history.

02 / The same quotes and arithmetic

Sources keep their exact sentence and read date. Unknowns stay visible in every format.

03 / Your approval comes first

Exports come only from a version you approved, so every format says exactly the same thing.

03 / BEFORE APPROVAL

Keep the open checks in view.

01 / Optional trip summaries

A verified source excluding trip summaries from model training. The feature stays off until then.
